

# COMMUNITY ENERGY FAIR

## Save Energy and Money

Home insulation  
double glazing  
draught proofing  
energy audit  
grants and funding

## Reduce Electricity Consumption

meet the OWL  
monitor usage  
reduce waste  
low energy light bulbs  
efficient appliances

## Community Energy

community ownership  
group fuel purchase  
district heating  
Investing

## Alternative Technologies

solar hot water  
heat pumps  
wind power  
funding & grants  
biomass fuel  
solar power  
water power

## The BIG picture One Planet Living

climate change  
financial chaos  
localisation  
self reliance  
oil depletion  
power down
